03 CONSENT LANGUAGE (VERBATIM)

RECIPIENT CONSENT — READ AND SIGN ABOVE

I agree to receive automated SMS messages from Fenceline at the mobile number listed next to my name, including leak detection alerts, system status notifications, and scheduled maintenance notices related to the monitored site. Message frequency varies (typically 1–10 per month, more during active incidents). Message and data rates may apply. Reply STOP at any time to opt out, or HELP for assistance. Fenceline will not share my mobile number with third parties for their marketing purposes.

FACILITY OPERATOR ACKNOWLEDGEMENT

I confirm that each Designated Recipient listed above is a current employee or contractor of the facility operator, has personally signed beside their own mobile number, and is authorized to receive Fenceline operational SMS messages on behalf of the site.
